CATEGORY SCORES

If a company scored C or below, they will not have been scored for management or leadership points (the dark green line represents this). Please download the [‘CDP Scoring Introduction’](#) for more information.

CATEGORY SCORES BENCHMARKING

Each category score in the bar chart represents the progression within each scoring level. The Introduction and Verification categories have not been included for category score breakdown as they are not scored at Management and Leadership levels.

Scoring categories are groupings of questions by topic. They are sub-groups of the 2021 questionnaire modules and are consistent across all sectors. The weightings applied to each category highlight the areas most important to environmental stewardship. To find out more about category weightings for each sector, please download the [‘CDP Scoring Categories and Weighting’](#) documents.
